

## MADE IN HULL

# MAKE STUFF: A FLOTILLA OF BOATS

Set your dreams afloat during *Made in Hull*, as the city celebrates life at sea. The river, sea and oceans have made an enormous impact on Hull, and we want you to continue the story. With your help a small flotilla of paper boats will float on the water in Princes Quay Shopping Centre. What stories they will tell, and what journey they might go on is up to you.

Want to take part? Go for it overleaf.

## Where to send your boat?

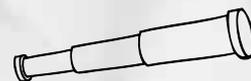

Once you have made your boat (or boats) please package boats flat in a box with your schools name on it and how many boats are in the box and drop off at reception at the Louis Pearlman Centre by 16 December so that we can store them together, ready for launch.

**Louis Pearlman Centre**  
Goulton St  
Hull

Mon - Thurs 2-5pm  
Fri - 2-4.30pm

## Where to see your boat?

See the flotilla of boats as part of *Made in Hull* on 2 January at the Princes Quay Shopping Centre in Hull city centre.

Unfortunately, as the boats will be placed in the water they will be unable to be returned to you.
